Building Managers!!!

Thank you! During the Execution of ACUI, you all got plenty of text and maybe even a FaceTime from me ask you to complete a task. Every SINGLE task was completed from the smallest to the biggest. You all showed me that no task is too big and you are capable of doing everything. Thank you for your hard work. I appreciate you.

Set-Up Crew!!!

Thank you, Thank you, Thank you and Thank you! ACUI would not have been a success without your hard work and dedication to this Organization. Everything looked great, went smooth and you were all very attentive to the conference needs. The LSU would not shine as bright as it does without each of you. You all are amazingly awesome. Keep up the great work.
