Misha

Aside from prior understanding of Set-Up procedure, Misha brings out the best of the set-up crew when assisting us as a temporary set-up assistant. Notably, Misha and I establish an impressive business chemistry when working jointly, delivering the best results. I enthusiastically look forward to collaborating with Misha again in the future.

Thank You For Being
AWESOME

Maiya!!

As anticipated from a building manager, Maiya does what it takes to ensure that matters from guests and fellow employees are overseen and managed. On a deeper level, Maiya is more than courteous enough to support the well-being of employees, particularly set-up, and is always at hand to help us with our tasks. Generosity and responsibility are the best of Maiya.

Alejandro & Amy

Kudos!!! Thank you so much for upholding our core values and making the student/alumni experience to Dodger Stadium a memorable one. You both were instrumental in not only creating an enjoyable trip but for facilitating and maximizing the number of participants. It was truly awesome to know that you both have and exercised your passion to serve our campus community. You truly hit every single core value and knocked it out of the park. (no pun intended)
