

Explanation of Facility Fees

Explanation of Fees

- o The Student Center Fee is paid by all students enrolled at California State University, Dominguez Hills, and is the primary financial support for the Loker Student Union's operations and programs. Fees are used to repay interest and bonds related to original construction, utilities, landscape maintenance, equipment, and personnel to maintain and operate the facility and its programs and services.
- o The room rental rates are based upon the room used and the length of time the room is reserved by a user or group. It includes the setup of tables, chairs and equipment as reserved by the user. Non-exempt fees apply to all user groups.
- o User groups are defined as:
 - Officially Recognized Student Clubs & Organizations and Associated Students, Inc.
 - Student organizations and ASI are not charged for the use of LSU meeting and event spaces, with the exception of non-exempt fees, if the event meets the following conditions:
 - o The primary audience is CSUDH students, faculty and staff.
 - o The event is for the direct benefit of the campus.
 - o The event has gone through the event planning process and follows all facility use policies and procedures, and any addendums agreed to by the user.
 - o The user will not accept donations or require guests to pay an admission or non-refundable registration fee to attend the event.
 - CSUDH Departments & Recognized On-Campus Groups
 - CSUDH departments and recognized on-campus groups will be charged for the use of all LSU meeting and event spaces at a reduced rate, based on location, length of time, and any non-exempt fee.
 - External Groups, Commercial Filming and Private Use
 - External groups, commercial filming and private users will be charged for the use of all LSU meeting and event spaces based on location, length of time, and any non-exempt fee.
 - Co-Sponsorships
 - Because the LSU is primarily funded by student fee dollars, the LSU does not recognize co-sponsorship of external groups by any user for the purpose of waiving or reducing fees. In the event of a co-sponsored event, the higher rate will apply.
- o The Director/designee reserves the right to determine the category that best fits the user or user group.
